

## SPEEDY FIX

POWER SHINE RENEWER

### Product description

This is an innovative boat renewer, used to easily remove light oxidations, yellowing, minor chalking and stains. Designed to be effortlessly applied by hand, it restores the surface to an outstanding shine and deep gloss, quickly and effectively removing defects, black streaks as well as pollution marks. It can be applied also by polisher, assuring ease of use, fast finish and amazing results.

**HOW TO USE:** please apply by hand with a microfiber cloth. Shake the bottle, then apply a small quantity to the cloth. Rub on the surface in a back and forth motion as evenly as possible. If necessary, please repeat the application more times and eventually wipe it off with a clean cloth. If applied by polisher, please use a medium-soft foam pad TE04. Apply a small quantity of compound on the polisher pad, let the polisher turn at low revolutions, speeding them up (800-1500 RPM), while spreading the paste with crossed movements. Pay attention at not overheating the surface. Finally, wipe clean with a microfiber cloth.

### Physical properties

**Colour:** White

**Physical form:** Liquid-creamy

**Odour:** Light and pleasant

**Explosion limit:** None

**Flammability:** Not flammable

**Stability:** Tested after exposure to temperatures between - 15°C e + 45°C

#### IMPERFECTION LEVEL (HIGH 4 > LOW 1)
